Central Bedfordshire Council is committed to safeguarding and promoting the welfare of children, young people and adults at risk and expects all employees, volunteers and contractors to share this commitment. For roles working with children and / or adults at risk we will take up references prior to interview. If you do not wish us to take up a reference from your current employer please provide a third referee so that we still have two references prior to the interview.

Satisfactory references must be obtained before any formal offer can be confirmed. If you are applying for a role working with children or adults at risk and you are not currently working with these groups but have done so in the past, you must nominate a referee from an organisation where you were employed to work with children or adults at risk. The referees will be asked if you have any live disciplinary offences and also about any “time expired” disciplinary offences relating to children. In addition, they will be asked if you have been subject to any child protection or vulnerable adult protection concerns, and the outcome of any such enquiry or disciplinary procedure.

Central Bedfordshire Council reserves the right to request a reference from any organisation with which you have been associated.

The amendments to the Rehabilitation of Offenders Act 1974 (exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered ‘protected’. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account.

Further guidance can be found from GOV.UK about whether a conviction or caution should be disclosed.

A safeguarding requirement for the school when recruiting is to ensure we appoint those who are suitable to work with children. If you are shortlisted for interview you will be asked to declare on a

Criminal Record Self Declaration Form that will be sent to you on being shortlisted whether you have convictions that are not protected. It is therefore important that you understand what you would need to declare and it is recommended that you review the above guidance.
